Production stop – Government Decree

Padova, 23. März 2020

Dear Customer,

With the entry into force of the Prime Minister's Decree of 22 March 2020, Acciaierie Venete proceeds to stop production of all its plants starting today and to suspend deliveries on Wednesday 25 March.

All orders, orders and supply contracts existing today will retain their full validity and we will process and dispatch them as soon as circumstances make it possible.

The staff of the Group's commercial service is always and in any case at your full and continuous disposal for any need for contact.

It will be our care and task to keep you punctually and continuously updated on any possible change in the current situation. In the serene and strong conviction that we will overcome this difficult moment soon and together, we assure you of our total commitment and our utmost determination in order to minimize your inconvenience and the difficulties deriving from our due and full adherence to the measures taken by the Italian Government.

Yours faithfully

Acciaierie Venete SpA
